

Architectural elevation drawing of a building facade. The drawing includes the following elements and dimensions:

- Overall Width:** 14 500 (indicated at the top).
- Overall Height:** 10 000 (indicated on the right side).
- Roof:** A dark, flat roof structure.
- Facade Material:** The main facade is clad in vertical wooden slats.
- Windows and Doors:**
 - Top floor: A large central window and two smaller windows on the right, with a dimension of 6 000 indicated between them.
 - Second floor: A large central window and two smaller windows on the right.
 - Ground floor: A large central window and two smaller windows on the right.
 - Entrance: A set of double doors on the right side of the ground floor.
- Annotations:**
 - Red dashed lines and boxes highlight specific window and door openings.
 - Red dimension lines indicate the width of the upper right section (6 000) and the height of the lower right section (1 500).
- Context:** The building is situated on a sloped site with greenery and a staircase visible on the right side.
