

Architectural elevation drawing of a building facade. The drawing shows a two-story structure with a light-colored, vertically-slatted exterior. The facade features several windows and doors. At the top, a dark horizontal band is visible. Dimensions are indicated: a total width of 14 500 at the top, and two vertical sections on the right side, each labeled 1 500. The building is set against a green background representing vegetation.
